SYLVAN...

A Yearbook Is Made

The Sylvan staff this year consisted of 5 veteran members and 11 new, enthusiastic members. There was a total of 16 people to put our yearbook together. Advised by Mrs. Mobray, the staff worked together to create uniformity throughout the book. Also, each person was assigned to do a certain section of the yearbook.

Together we tried to make this Sylvan the best ever.

"And now for the minutes of the last meeting . . . "

The beginning of the 1969-1970 school year saw student body officers, President, Steve Carey; Vice-President, Rory Barrieth; Secretary, April Easter; Treasurer, Terry James; and Business Manager, Jerry Ambrose, back from summer vacations with many new and worthwhile plans for Montesano High School.

Two of the officers, Steve and April had attended leadership conferences during the summer and were eager to put some of their newly found knowledge to work.

The Student Council started off towards a hopefully profitable year with such goals as establishing a new dress code for the students, revising the constitution, establishing more student participation in school activities, and furthering community-school public relations. New ideas continued to be introduced throughout the year pertaining to school government and other related activities.

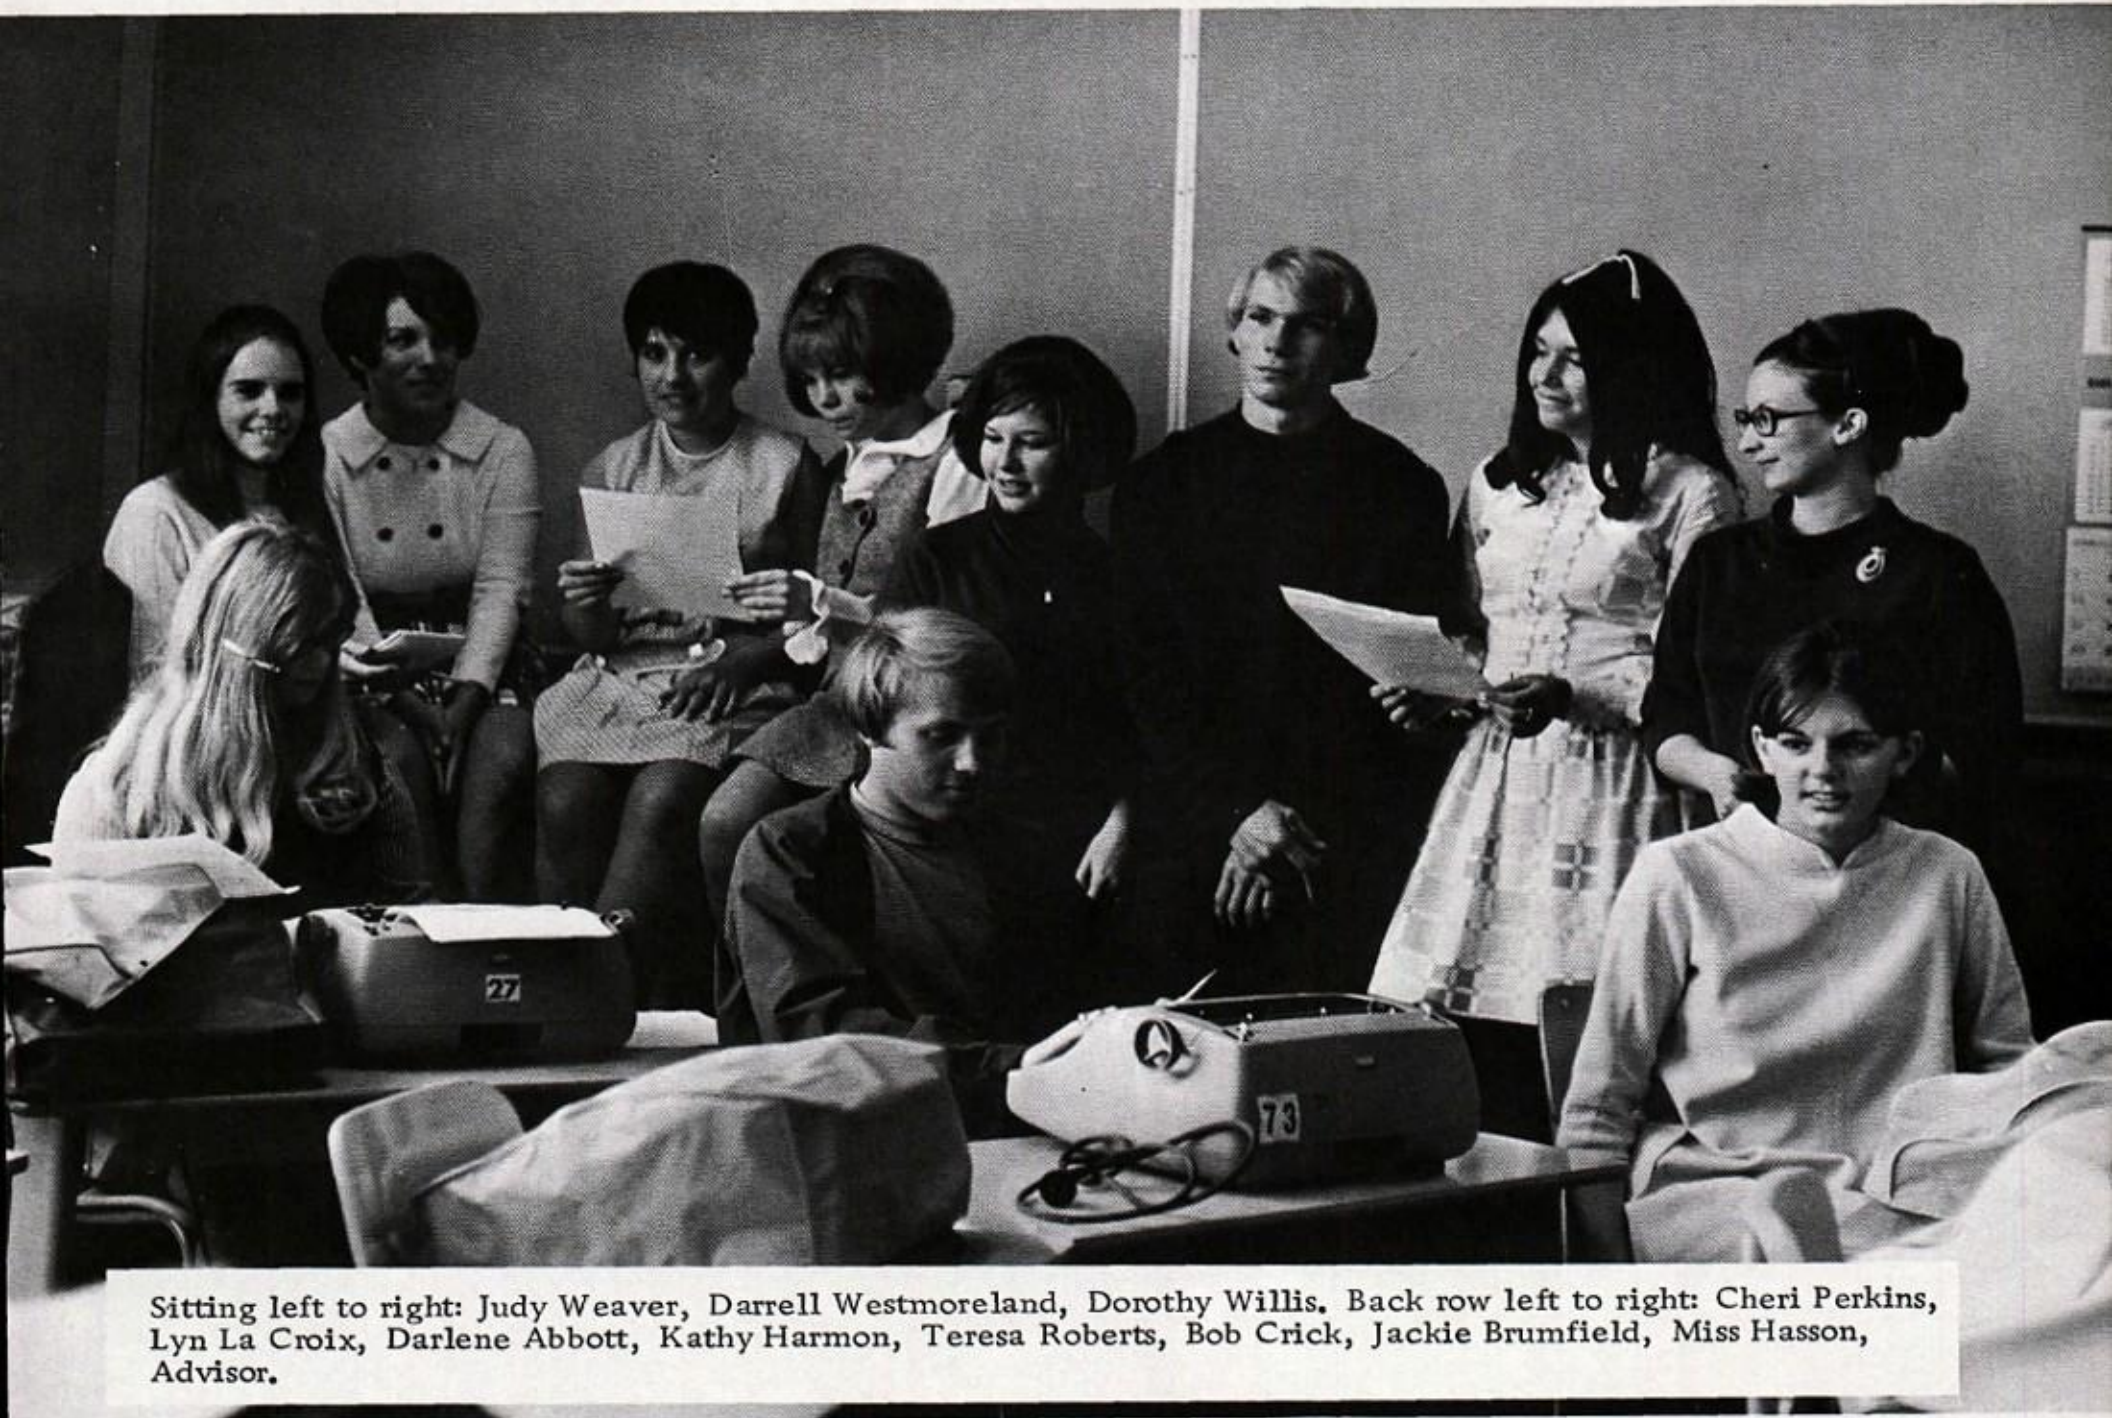

Thinking towards the future, the council attempted to create an interest in and a knowledge of the bond levy, which proposed the building of a new gymnasium and general school renovation, throughout the community. These facilities would indeed be an asset to Montesano High School for years to come.

Throughout the year the Student Council strived to work towards bettering Montesano High School. The council sought not to initiate change for change's sake, but rather to establish changes where there was a need for them, in order to keep the school running smoothly, and the students and teachers working together.

BULLDOG

Volume XXXVII No. 2 Montesano High School, Montesano, Washington

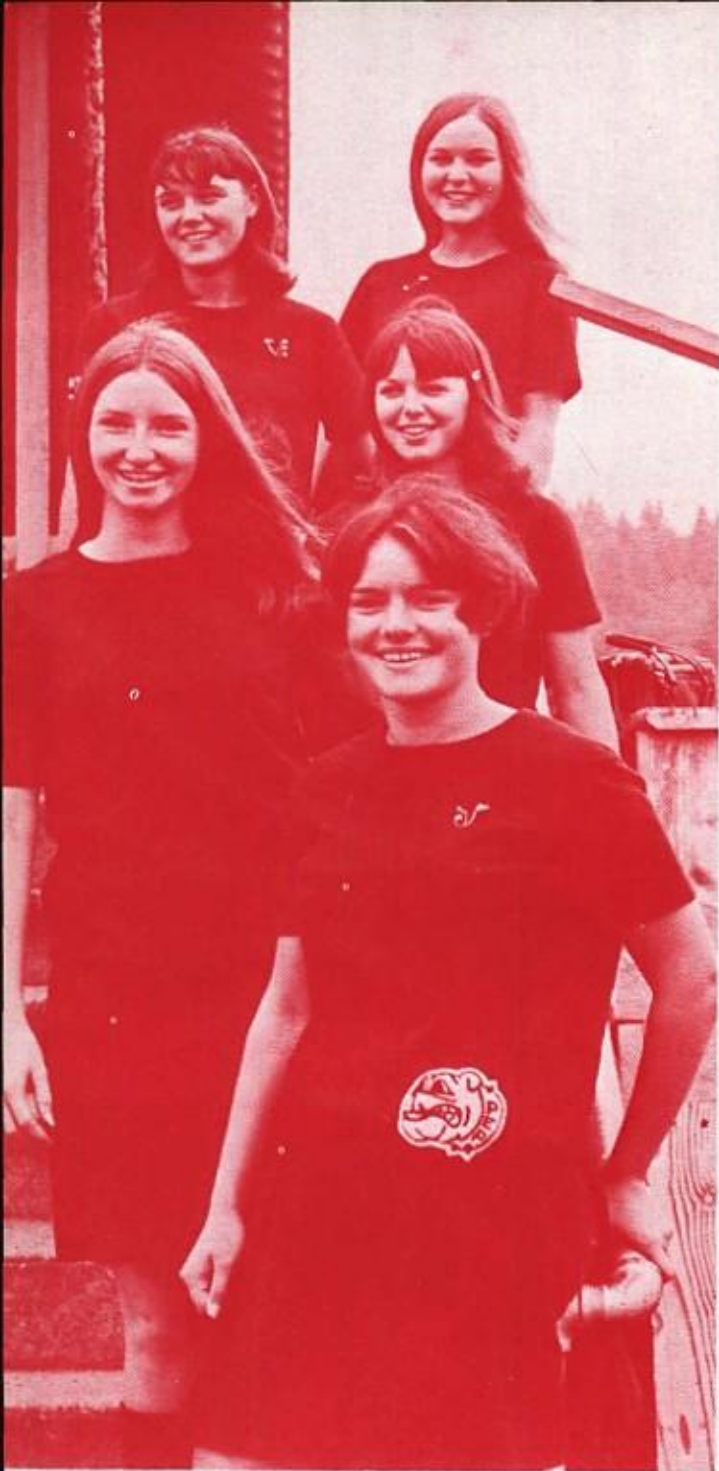

Sitting left to right: Judy Weaver, Darrell Westmoreland, Dorothy Willis. Back row left to right: Cheri Perkins, Lyn La Croix, Darlene Abbott, Kathy Harmon, Teresa Roberts, Bob Crick, Jackie Brumfield, Miss Hasson, Advisor.

This year the Bulldog consisted of a rather small, inexperienced staff. However, what we lacked in experience, we tried to make up with our eagerness to learn. Although the first issue was a near disaster, the paper definitely improved as time went on.

The Bulldog is the voice of MHS, and it was hoped that when the Bulldog barked, it would be heard loud and clear.

It has been our pleasure to have served the Montesano Student Body during the '69-'70 year.

The Bulldog Staff

PEP

Pep Club consisted of 63 girls this year. We were an active club meeting every Wednesday night. We made signs, were guardian angels for boys who turned out for sports and backed our teams at every game and match. We tried to promote school spirit which was very low during the first few months of school. Homecoming was our big dance. It was a lot of work but everyone had a enjoyable time. We had numerous bake sales to raise money. All in all we had a very prosperous and successful year.

LETTERMEN'S CLUB

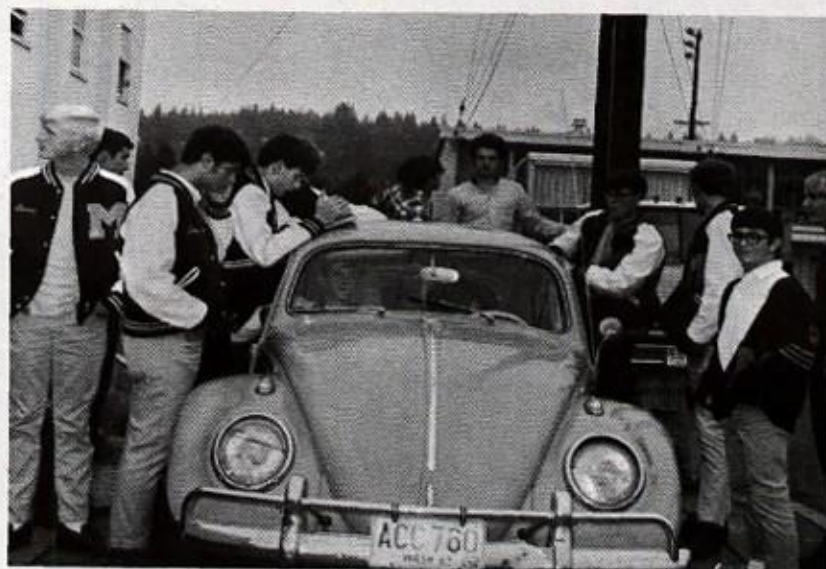

This years Lettermen's Club had about 40 returning members come to its first meeting on September 4th. Plans were made for raising money, they included the possibility of a bottle drive, or splitting fence rails, along with selling popcorn at all wrestling matches.

This year the Montesano Drill Team marched at three football and six basketball games. Our routines were varied. We used special routines instead of just straight marching.

We plan to have a Drill Team cabinet and present our club to the Student Council. Our cabinet, hopefully, will be able to go to the Drill Team camp this summer.

We also hope to have a Freshman Drill Team next year. Our hopes for next year are high, we only hope we can carry them through.

The Montesano High School Girls' Athletic Association got off to a Fresh start with a new advisor, Miss Pheasant, and 40 enthusiastic girls. We made the club more interesting and exciting this year by taking part in new and different activities. Among the many activities we sponsored were horseback riding, car washes, bowling, a Mother-Daughter volleyball game, and a visit from a well-known karate expert.

The club met every Tuesday after school for some sort of sports activity. It has truly been a fun and exciting year for our organization.

The Girls' Club of Montesano High School has tried to make itself a relevant part of living for all its members. With all the changes that have been occurring, the Girls' Club has adopted some of them and proposed solutions for others.

Good times are also a major part of Girls' Club. Sponsoring a Halloween Pumpkin Pie Sale was the first main project. Running the concession stand during the football and basketball seasons provided the largest amount of our financial income.

Our traditional December Christmas meeting starred talented acts from each class.

Later on in the year, Girls' Club became busy with the annual Hillbilly Tolo and the Mother-Daughter Party.

"Now is the time to build the future" seemed to be this years theme for the club. Several guest speakers spoke on careers ranging from modeling to politics.

Now is the time to act, to pursue not only well-being for ourselves, but also for others.

Led by officers Kathryn Powell, President; Russ Esses, Vice-President; Joanne Langham, Secretary; Janet Schloz, Treasurer; Rick Crass, Representative; Larry Lindel, Sergeant-at-Arms; and James Palmer, Advisor, the Math Club had an enterprising year. We hosted a Math Fair at North Thurston High School which seven schools attended. In the spring we went to Portland to a science museum. Several new members joined and enjoyed their first year in the Mu Alpha Theta of Montesano Math Club.

German Club was formed to help promote the spirit and culture of Germany. We did this by participation in an Oktoberfest, Foreign Language Banquet, ski trip, Christmas caroling, and many more fun activities. A German Club scrapbook was made so that German Club can long be remembered. German pins were ordered and there was much song, skit, and essen (eat) and trinkin (drink).

GERMAN BAND: Norman Abbott, Mc Cune Castleton, Larry Lindel, Tim Mc Glothlin, Marsha Bullard, Diane Meredith.

Spanish club was organized "to further interest in the Spanish language and culture and to embetter our knowledge of both." Our advisor was Miss McWhorter and we were privileged to have us Maga Amaya, a student from Mexico.

Membership totaled fourteen. Officers were president, Joanne Langham; vice-president, Maryalyn Giberson; secretary, Sue Castleton; treasurer, Kristine Berglund; president of programs, Kathryn Powell; and Sergeant-at-Arms, Rocky Leister.

For a new club, we have had a surprisingly fiscal year. Dues were one dollar per person. In November we sponsored a bakesell. We contributed ten dollars to the Stewart Kidney Fund. Gold-filled pins were purchased for members.

We designed a hall display centering around the theme of all Saints' Day. At Christmas time Spanish club joined German Club in singing carols, including an original spanish carol, "Venid, Pastores." In the spring we again joined the Germans in producing the annual Foreign Languages Banquet.

After a late start, this year's March of Dimes drive, usually the month of January, was held over until February 12. The total gross was \$2012.39.

The senior class won the class contest competition. Their list of activities included the Mother's March, a bake sale and selling ice cream at the games.

The second highest money-making class this year was the Junior class. Profits came from selling boxes of candy as a main project. Other minor projects included bake sales, pie sales, a dance and a contest between the boys and girls to see who could contribute the most money in Miss Savage's English classes.

Frosh walked off with third place in the competition at passing cans at basketball games, a bake sale, and individual contributions. Their total was reached thru hard work.

Sophomores were last this year. Their projects were selling flowers, bake sale, and individual contributions.

The talent show was successfully run this year by Lonnie Eaton, with a lot of help from Darlene Leister. Scheduling was handled by Lynn LaCroix. Treasurers were Kris Nelson and Brenda Jones. Chairman of the overall M. O. D. drive was Sandy Sutherby.

"Cross-Country"

With wobbling legs and an uncertain path to the finish line, the gun signaled the beginning of Montesano's newest and most distant sport-- The Cross-Country.

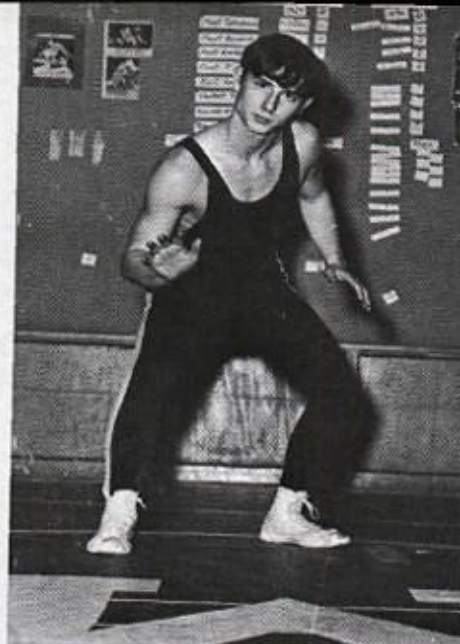

The description of the sport is synonymous with its title, a distance race across country terrain. The journey usually entails a venture through woods, over hills, and across fields in which the runner gauges his pace according to the running surface. Mud, sweat, aching muscles, and burning lungs, all accent the lonely trot to victory and self-fulfillment. Fresh air, a forested path, and a cloudless sky set a scenic background for wandering thoughts on the three mile jaunt.

The individual verses the team, climaxes the race as the individuals cross the finish mark. The team with the highest number of places and the least amount of bad points win the meet. Any number of participants may enter the event but each team must consist of a minimum of five. As a novice sport at Montesano, representation barely achieved the minimum. Representing M. H. S. this fall were Owen Barrett, Rory Barreith, Bill Miller, Rob Haney, Jerry McConkey, and Don Lindstrom.

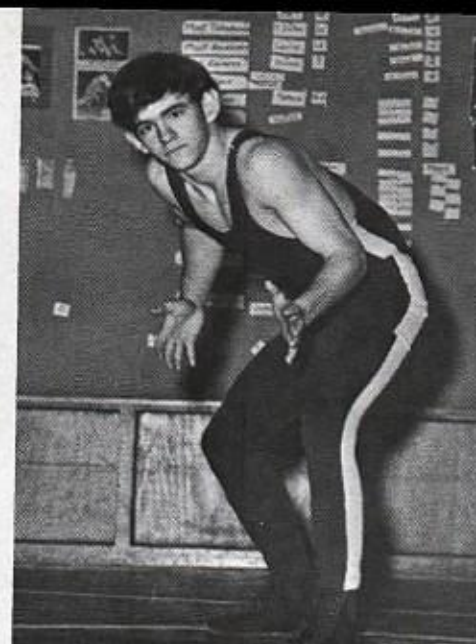

The distant men completed the season with four fifths, two thirds, and one second. Montesano's front three runners were Bill Miller, Rory Barreith, and Owen Barrett. The highlight of the Cross-Country season was Bill Miller's respectful seventh place at the meet held at St. Martins. Although letter awards were not presented at the close of this season, the tracksters will be given credit toward their varsity track letter this spring and hope of Cross-Country awards next fall.

The William Rosier Post #2455 Veterans of Foreign Wars extends hearty congratulations to the Class of 1970. In ~~so many instances the spot light on youth has a tendency~~ to emphasize the radical - the non - representative minority who choose a destructive or militant means of gaining attention.

By way of contrast, may we mention of few of the things which are much more representative of the youth of our day. During the past year, members of the Montesano High School have participated in service activities which included the following:

March of Dimes
Stewart Kidney Fund
Assisted with the Blood Mobile work
Worked tirelessly for the passage of the School bond levy.

In fact, despite all rumors to the contrary, there are still a great many young people with high ideals, good morals, a desire to service their fellow man and a sense of their responsibility as good citizens.

Our expectations and hopes are high for you -- the field is unlimited -- and we are confident that you will be able to meet the challenge very capably.

Best wishes to you as you leave high school and prepare to enter even broader avenues of service.
